Forward Looking Statement

All statements, other than statements of historical facts, included in this news release are forward-looking statements within the meaning of the Private Securities Litigation

Reform Act of 1995. Forward-looking statements may be identified by the use of forward-looking terminology such as "may," "will," "expect," "believe," "estimate," "project," "anticipate," "continue," or similar terms, variations of those terms or the negative of those terms. These forward-looking statements are based on the Company's current plans, expectations and projections about future events.

Because forward-looking statements involve risks and uncertainties, the Company's actual results could differ materially from any future results, performance or achievements expressed or implied by such forward-looking statements. For a more complete discussion regarding factors which could affect the Company's financial performance, refer to the Company's various filings with the Securities and Exchange Commission. The Company undertakes no obligation to update or revise its forward-looking statements.
